FE-560	5"	60"
FE-572	5"	72"
FE-584	5"	84"
FE-596	5"	96"
FE-660	6"	60"
FE-672	6"	72"
FE-684	6"	84"
FE-696	6"	96"

* All Fork Extensions are sold in pairs.

Arrow's Heavy Duty Fork Extension are the multi-use alternative to traditional expensive single use extensions. Arrow Fork Extensions are made of high strength GR50 steel and comply with all ANSI/ITSDF B56.1 standards. In addition, the curved tip design and bright yellow powder coating increase visibility and avoid damage to pallets and other valuable material.

HEAVY DUTY FORK EXTENSIONS FEATURES:

- Made using a higher strength steel than standard single use extensions
- Can be used multiple times even in the most demanding conditions
- The curved tip design avoids damaging pallets and other valuable material
- Yellow powder coated finish increases visibility.

* Fork Extensions are engineered to improve load stability, and should never be load bearing or exceed 150% the length of the supporting forks.
